

It's hidden - Visualize - Realisation by www.pan-jumbie.com Preparing to learn major scales on a rotating pocket soprano pan

You need:

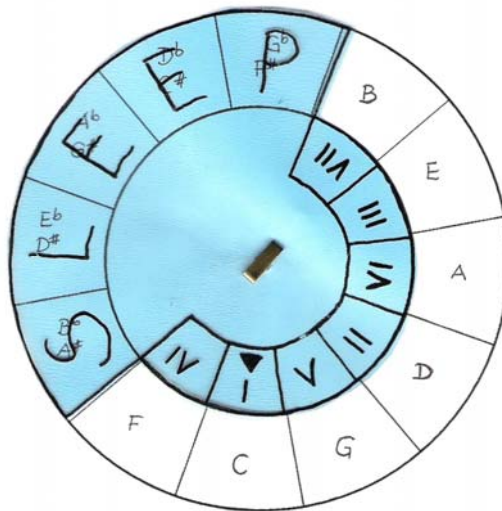

- Paper
- Cardboard
- Glue
- a pair of scissors
- transparent jacket (your favorite color)
- a shelf bracket
- maybe the help of your father (he deserves a beer afterwards!)

**Print it out (it is your soprano pan!),
cut it out and glue it on a piece of cardboard
(same size, round shape)**

**Print that on transparent jacket (no matter which color)
cut it out like shown above**

**Now pin it together with the shelf bracket in the middle!
Next time I'll show you how to use it!
This is your new pan friend!**
